Find out what's included in our park home policy

Underwritten by AXA, one of the UK's leading insurers, you can be confident your park home is in safe hands.

Lifesure are a specialist insurance broker and we've been supporting park home communities for over 30 years. Over this time, we've continued to listen to our customers and are proud to include home emergency cover² and legal expenses³ as standard for ALL park home policies.

Park home emergency cover² is designed to complement your park home insurance, providing benefits and services not normally available under household insurance. We know that this is an essential part of our park home policy, as **90%⁷ of Lifesure park home customers who are covered and have called to make a claim have been able to fix their issue within the first visit.**

Lifesure's legal expenses³ You can feel safe in the knowledge that you can obtain legal advice 24 hours a day, seven days a week, or tax advice from 09:00 to 17:00 Monday to Friday by calling the legal expenses helpline. All advice is provided by qualified and trusted consultants and is confidential and impartial.

Partnered by an established underwriter AXA means that Lifesure can offer flood cover to many park homes, including some that are in a **high-risk flood area** through the **Flood Re scheme⁴**. Park homeowners that are eligible for the Flood Re scheme will have the security and peace of mind that they are covered against flood, should they need to make a claim.

There is a cost for covering your park home against flood through the Flood Re scheme and, if you do need to make a flood claim, there is a minimal £250 excess. Not all homes are eligible for the flood cover through the Flood Re scheme. Subject to eligibility criteria. 5.
